

PCC Trivia Nights Format

2nd Fridays of the month @ 6:00 PM

POC: Danny Reid: daniel.reid.6@us.af.mil

Base line rules: No cell phones. They must be placed on the table in a basket. No conferring with other teams. No winking or suspicious nods from people at the bar. This is your team and your team only.

Teams consist of four people. Each team must have a jaunty name.

Questions will be on a Power Point presentation and are all multiple choice. Each question will show for a minute for the teams to get a chance to answer them on a piece of paper. The questions will then repeat for 30 seconds after that.

Teams are also given two bonus stickers. One sticker may be applied to their sheet for the round and net them five points no matter what. The other sticker may be applied and double the amount of points they receive for the round. This means that the max score a team can receive is fifty points.

The host will tally up the scores and announce the round winners. In case of a tie, there will be a bonus question to settle the round.

There are four rounds. The winning table for each round gets an FSS Gift Card that you can spend that night at the PCC. If any table wins three of the four rounds, they get an extra prize of a \$25 FSS gift card. If no table wins that week, it gets rolled over into the next session.
